Foreword

WE have endeavored to make this, the second volume of *The Midlander*, a mirror wherein you might find reflected the myriad activities of our college life. It is our wish to preserve some tangible memory of the splendid, though invisible, spirit of our college. If we have in any measure succeeded, the whole student body has been responsible.

If aught of virtue, if aught of reminiscence, if aught of treasured memory is embodied in this volume let that be the reward of those who labored that its success might be achieved. To have published it has been our pleasure; to have you enjoy it is our desire.

Dedication

Because it is the high desire of
the student body of the Mid-
dle Tennessee State Teachers
College;

Because since his coming to us
we have been inspired by his per-
sonality, invigorated by his man-
liness, and comforted by his
sympathy;

Because he is without fear and
above reproach;

Because for us he has made of
life a religion; of religion a life,
and learning a thing of loveliness;

We, the student body, dedicate
this, the second volume of
our annual to

BEATRICE IRENE BRYAN

OF

MURFREESBORO, TENNESSEE

HERMAN OSTEEN
OF
CHAPEL HILL, TENNESSEE

"Sweetie" was a poor little ignorant boy when he came to S. T. C., and August will mark his departure, a wise, learned man! A good mixer, a true friend, a tireless worker, and a man of honor—that's Herman. To have known him has been a pleasure; to have him for a friend has been an honor. He has been branded as an ideal student, a prince of an athlete, and a magnetic friend. He desperately loved about eighteen persons, and sixteen of these was Mary; the other two were Tony and Marion D.

GRACE CUNNINGHAM
OF
MURFREESBORO, TENNESSEE

PAUL E. BURTON
OF

Coach Frank Faulkinberry

This is Coach Faulkinberry's first year with us. His knowledge of the game is unquestioned. He is a man cast in a large mold. He is known far and wide for his enterprising energy and courage, for his enthusiasm, and for his uncompromising honesty. He is a man who plays the game, and a harder, cleaner fighter can't be found. The boys in the dormitory desire to add a word of appreciation. His dealings with them have been as man to man, and always on the high plane of mutual honor and respect.

MISS TOMMIE REYNOLDS
Assistant Coach

Only a few years ago Miss Tommie was at Peabody College, preparing herself for the enormous coaching problem that she now masters so easily in the Mid-State gymnasium.

C. L. CUMMINGS
Assistant Coach

This is "Paps" first year with us, but we have learned that he knows football. He has proved a valuable assistant to Coach Faulkinberry not only in the field but on the sidelines during the games.

On a cold, muddy field the S. T. C. eleven outplayed the bench-warmers of Vanderbilt University in every department of the game. The Teachers made their first touchdown soon after the game started. It was "the little blonde," Henry Hackman, who ran thirty-five yards around the left end and then circled right end on the next play for a touchdown. The other touchdown came in the third quarter when a punt was partially blocked by Jamison, who placed the ball over the line after the successful line bucks. The Reserves were never able to make important gains, and were not permitted to approach the danger zone at any time.

Kentucky sent two delegations to our gridiron and neither were able to score. Ogden suffered a severe defeat in spite of the fact that they were fighting to the last minute of play. All the breaks were against Ogden's little team. Second-raters and scrubs replaced the varsity in the last period, and they found little trouble in duplicating the work of the varsity. Wallen was in the back position part of the time, and his running was always remembered by good gains. Jamison plugged away almost tirelessly at the Kentucky line while Hackman sidestepped his way into the hearts of a thousand onlookers. There was little use of trick plays against so weak a team, and so straight football led to the huge score for S. T. C.

At Memphis the Midlanders proved their mettle and cleverness against the sister school. It was homecoming day to the Westerners, and a vast throng of alumnae saw their Alma Mater receive a sound drubbing on the old dusty field. Our team was heavier and snarlier. Hackman ran for two touchdowns, while Freeman and Thompson made two others. There was more than a necessary amount of lumbling, especially near the goal line. At the beginning of the second half the Memphis outfit rallied and tried a speedy offense via the aerial route, but that threat was soon abandoned because Freeman intercepted a pass and ran forty yards for a touchdown.

The first game to be played against a college of our own rank was one that gave S. T. C. a sweeping victory over Cumberland just at the time our men needed self-confidence. A large crowd watched Cumberland crumple after a few moments of exciting and fairly successful plays. The Bulldogs, relying on sheer mass and weight, had rather the best of it during the earlier part of the game. But the time came when the lighter and more active Teachers began circling ends and hurling aerial ovals with spirited zeal. There were times when the Lebanon outfit rallied and made things exciting about the vicinity of our goal posts. Once a long pass was spiraled forty yards the end - and C

On Saturday, November 6, the Mid-Staters were held by Murray Kentucky, to a scoreless tie. Whether it happened via ill luck, or staleness, or overconfidence, the teams were never able to carry the ball over. The air was just brisk enough for a splendid game. Yet, it was slow, marred by frequent fumbles, and never enlivened by spectacular runs. The outstanding thing about this game was the defense of both teams. If the interference was poor, the tackling was perfect. The Northerners had their eyes on Hackman, so that he was never able to dart through an opening for a long run.

BASKETBALL

HERMAN OSTEN
Manager

Herman is one of the best known men at M. T. S. T. C., and he has laughed his way into the hearts of all who know him. He is an all-round athlete, but shines brightest in basketball. It's hard to say whether he's better at basketry or floor work. Anyway, he's dangerous enough to make the other team feel decidedly uncomfortable as long as he's in the line-up. Herman is versatile and accomplished, and good at most anything, on or off the floor.

B. H. THOMPSON
Captain

There isn't anybody else here with a record like "Tom." Year in and year out, he has been fighting for the institution in all sorts of athletic contests. In basketball especially, his speed and accuracy make him an invaluable cog in the machine. He is cool and level-headed in the midst of the fray, and doesn't allow an excess of enthusiasm to influence his judgment. We feel that things are safe in his hands. He's a good sport and all that that means, and one of the best friends that anyone ever had. In short, "Tom" is a live wire wherever you put him.

Peps Win Over S. T. C. Five in Play-off

The Y. M. H. A. Peps of Nashville won a hard-fought game from the Teachers on the local's floor last Saturday night, 42-40. It was a game full of thrills, marred by bits of roughness on both sides, and one that was not decided until the final whistle blew.

The Peps started off with a bang, piling up twelve points before the Teachers could locate the basket. Windrow went in for Osteen at center, and Early for Ferguson at forward. Windrow played one of the best games he ever played. The S. T. C. quint's offense immediately began to take on form, ringing the basket with deadly accuracy. Gradually they proceeded up, goal by goal, until they were leading at the end of the half, 19 to 16.

With the beginning of the second half the Peps closed the gap and the game was a see-saw affair until the end. Morr's' goal gave the Peps a 38 to 36 lead, but Fambrough tied it up again with two free tosses. Here the game ended, making the playoff necessary.

For Murfreesboro, Askins led the scoring, getting a total of nineteen points. Fambrough was second with eight points. P. Cohen and Jacobs led the scoring for the Peps.

With Osteen, flashy little forward, going good again, it seemed that a rejuvenated quint took the floor last night against the Memphis Y. M. C. A. With what information they gathered from the Celtics, who performed here last week, and the comeback of Osteen, the Teachers jumped away to an early lead and were never headed. At times their passing was not accurate, but nevertheless they were able to penetrate the Triangles' defense for numerous crisp shots. On the other hand, the Teachers presented a strong defense that constantly kept the Memphis team shooting from long distances.

Fambrough started the scoring by making good a follow-up shot. Johnson tied it with a shot from past Osteen. Injuries have kept him down, together with a late start, but in the last two games he has played a great game and will hear watching from now on. Johnson appeared the best shot for the Triangles, pocketing fourteen points, while Osteen was high scorer for the Teachers, getting thirteen points. Early and Fambrough contributed eleven points each, and Thompson pocketed seven.

Celtics vs. Teachers

The Celtics have come and gone. There is no doubt in Murfreesboro but that they are the greatest sage quint that ever took the hardwood floor. They are masters of the game, and displayed it while here. Sportsmanship is their greatest characteristic. They do not attempt to pile up a large score, but merely keep a lead over their opponents and then demonstrate their ability with the sphere. Their passing is the most deceptive ever witnessed here. They seem to be able to do everything with the ball. Their dribbling was puzzling and bewildering. Frequently they started a fusillade of passes traveling only two or three feet, and suddenly they changed to passes traveling the entire length of the floor.

The Celtics started the scoring by getting a goal from the tip-off. Then they allowed the Teachers to run up a 7 to 3 lead, and there were some folk in the balcony who actually believed that the Teachers were going to win.

Here the professionals started their bewildering passes. They puzzled the spectators, frequently the score-keeper never knew who had made the goal, and they puzzled the Teacher squad.

Frequently the Celts stood off and told the Teachers to come in and shoot, thereby allowing them to make it a 22 to 24 score.

It would be wonderful to see that team perform against another that would make them really put out. They did not have to against college teams. The lineup:

MARY BEASLEY, *Captain*

Mary is the star forward for our co-ed team, and probably the best in the South. There's nothing flashy about her, but some way she gets the points. She thinks nothing of gathering in thirty-one tallies in a single night, as she did in a rather nonchalant fashion against "Ole Miss" last winter. Mary's good in her books, too, and in all other activities. Not long ago she was elected by popular vote as M. T. S. T. C.'s best all-round student. Congratulations, Mary!

INDIA GANNAWAY, *Manager*

India is a girl who can always be counted on. She is faithful and persistent, and has that quality known as uncommon common sense. She's highly intellectual, and trust her to be always on the right side of any question. You can find her backing anything that's for the good of M. T. S. T. C. She also has rare business sense and executive ability. On the basketball floor she is quite as exceptional. She's quick and active, and can outjump any girls of her height I've ever seen.

Peabody Bows to Teacher Co-eds

The co-eds journeyed to Peabody College January 28, and proceeded to give them a lesson in basketball playing. At no stage during the game did Peabody lead the local five. Misses Beasley and Pitt, as usual, did most of the scoring for the Teachers. Dillon played a great defensive game, as did Jones.

Misses Beasley and Pitt are like wine—they grow better with age. Every game sees them working better together, and Pitt is fast showing that she is a very capable running mate for Beasley.

The game was marred due to the many fouls on both side. But it was fast and bitterly contested throughout. Miss Beasley was high scorer with twelve points to her credit. Miss Elliott was best for Peabody with eleven points.

Misses Perkerson and Elliott were the shining lights of the Peabody team, both playing a good offensive game.

Folks, it looks like another championship for our co-eds.

Co-eds Stop Carson-Newman

The jubilant cry of victory soars again about the campus, for the co-eds have another scalp on their belt. Carson-Newman came out from their lair with a clean record. They had not tasted the bitter dregs of defeat. But now they slink back into that same lair with a full knowledge of the taste of defeat. The score was 32 to 25.

In that jubilant cry of victory there is mingled with it the name of Callie Jones, the greatest guard in the South. Jones was 'in on every play, she worried, hurried, harassed and bothered the Carson-Newman girls throughout the contest. Many times it was Jones who checked the pretty passing of the Carson-Newman team; when she rushed in, the ball shifted to the hands of the Teacher co-eds. When Carson-Newman got a goal it was only because Callie was too far away to get in under the basket.

Although Jones shone with a brilliancy that cannot be surpassed, she was not alone. Beasley, as is her wont, led the scoring with twenty-one points to her credit. Keeling, likewise, "strutted her stuff," as did Pitt, Vaughan, and Dillon.

THE LINE-UP

Teachers	Position	Carson-Newman
BEASLEY (21)	F.	M. BOYD (7)
PITT (4)	F.	PHILLIPS (10)
VAUGHAN (2)	C.	M. LIVERSAY
DILLON	G.	T. BOWMAN (8)
JONES	G.	V. LIVERSAY

Substitutes: Keeling (5) for Vaughan, Gannaway for Dillon, Rose for V. Liversay, E. Boyd for Rose. Referee, Josh Hughes.

Co-eds Conquer "Ole Miss"

"Ole Miss" came, saw, but did not conquer. In a game replete with thrills, the Teachers eked out a decision by a 37 to 35 count, Beasley caging the winning points just as the final whistle blew.

The Teachers started with a rush and took the lead, which they held until late in the fourth quarter when "Ole Miss" staged a rally, tying the count only to lose in the final five seconds via Beasley's field goal from the center of the floor.

Beasley was high scorer for the Teachers with thirty-one points. Bloodworth led "Ole Miss" with nineteen points. She, along with Captain Powell, were the stars for the "Ole Miss." It is hard to name a star for the Teachers, for all of them were in there fighting. Beasley's shots were accurate and well-timed, and to her goes the most of the laurels of victory. Dillon played a wonderful defensive game.

"Ole Miss" showed they were made from the right stuff. They came from behind in the fourth quarter with one of the most dazzling rallies ever seen on the local floor.

Our work is finished. Our job is done. As we cast our eyes back over the hectic months spent in its completion, we detect many errors committed and many mistakes that should have been avoided. We began with high ideas and aspirations, but hard knocks and the worries of an editor's life has shattered most of them. What "*The Midlander*" might have been only our dreams can tell; what it is we leave to your judgment.

In these lines the staff desires to extend its appreciation to those students who have not been connected with the staff but who have given their time, thoughts, and energy without stint for the success of the book.

Our work is finished. Our job is done. May you read "*The Midlander*" with as much happiness as we have found in its creation. May it mean to you M. T. S. T. C.

A Lament

Johnny Jones and his sister Sue
Studied psychology—I did, too;
But Johnny and Susie got out light—
They ate a peach and died one night.

I had no peach, I did not die,
I merely lived to answer why
Knowledge of instinct was the thing
To use in a schoolroom, and to bring

Children up in a proper way.
That's what I lived and did—but say!
When my paper came back to me,
The grade I got—O hully gee!

Johnny Jones and his sister Sue
Studied psychology—I did, too;
Now they're in heaven, cool and free,
And I am continuing psychology.

—Normalite, March, '23.

Rebecca: "Because their powder puffs are on the other end."

He: "Would you like to wear a rented bathing suit?"

She: "Don't know. It depends."

He: "On what?"

She: "The rent."

Miss Monohan: "Who defeated the Israelites?"

Bill Shelton: "I don't know. I don't follow any of these bush league teams."

Marion Capps: "You can't make a monkey out of me."

Mary Bratton: "No, but I can put you up a tree and nobody will know the difference."

Rebecca: "Bob writes he's all unstrung. What shall I do?"

Margaret: "Send him a wire."

A Senior stood on a railroad track,
The train was coming fast—
The train got off the railroad track
To let the Senior pass.

B. H.: "What you need is a little sun and air."

Mary: "O, B. H.!"

Big Boy Peebles: "Who hit my brother?"

Bigger Boy Corbin: "I did. What about it."

Big Boy Peebles: "Nothing. Only you sure give him a hell of a lick."

Bradley Lea: "Do you know what they call lemons in Sioux City?"

Mr. Sims: "No, what?"

B. Lea: "Lemons!"

"I'm always springing something," said the mouse as he walked into the trap after a piece of cheese.

Bill: "I kissed her when she wasn't looking."

Trinkle: "What did she do?"

Bill: "She wouldn't look at me the rest of the evening."

"I understand your roommate was kicked out of college."

"Yes, the Student Council saw him looking at a crib in a furniture store."

Marion Capps: "Mary, there has been something trembling on my lips for months and months."

Mary Bratton: "So I see. Why don't you shave it off?"

Diplomacy is all right if it gets the diploma.

Mr. Davis: "How does the bony pelvis of a female differ from that of a male?"

Paul Womack: "It's a lot prettier, sir."

Mr. Frazier: "Trinkle, write a poem of two lines."

Trinkle: "Into the water went Nellie,

She went in up to her knees."

Mr. Frazier: "That doesn't rhyme."

Trinkle: "The water wasn't deep enough."

Mother: "Why are you shortening your petticoat?"

Daughter: "Because they are not wearing them so long."

—1927—

Mother: "Why are you leaving your petticoat at home?"

Daughter: "Because they are not wearing them. So long."

The Trained Teacher

By CYRUS DEMENT

"Where are you going, my pretty maid?"

"I'm going to the Normal, sir," she said.

"What will you do, my pretty maid?"

"Learn to be a teacher, sir," she said.

"What must you learn, my pretty maid?"

"All a teacher needs to know, sir," she said.

"How long will that require, my pretty maid?"

"One spring and summer term, sir," she said.

"Then what will you do, my pretty maid?"

"Teach a year and marry a farmer, sir," she said.

"Is that idea original, my pretty maid?"

"Thousands have done so before, sir," she said.

Our Quality Standard is the Guide of Others

As each succeeding season crowds out its predecessor, people require the authoritatively new things to wear and use in the home.

The duty of the merchant, as we see it, is to provide all these things when they are needed in highest possible quality at the lowest possible price.

This Store being a part of a tremendous buying force resulting from the combined operations of the 800 Stores in this Nation-Wide Institution, it continuously enjoys the enviable position of being able to provide the new things while they are new and the staple goods that are always in demand at lower prices than are ordinarily asked.

Our goods provide the standard by which others make their comparisons. They sometimes match our quality but not the savings with which we provide you.

End

My rash is done, my song has ceased, my theme
Has died into an echo; it is fit
The spell should break of this protracted dream.
The torch shall be extinguished which hath lit
My midnight lamp — and what is writ, is writ;
Would it were worthier!
